Back to School? Take Charge!

Are you ready for the new school year? Here's one take-charge tip from Emily that goes beyond the A B Cs:

Develop new friendships

Do you see a new kid that doesn't seem to know anyone?

Emily says, "Think about how you would you feel if this were you." Then practice in front of a mirror:

- Smiling and saying hello;
- Asking them questions about themselves.

Ask questions to show you want to get to know them, like:

- What do you like to play?
- What do you like to read?

After school too

Emily says, "Look for new friends in after school activities like karate or a computer club."
